2 structure under the purview of the department of health and
3 human services (HHS).

5 health policy oversight committee to provide that the committee
6 may meet annually. Currently, the committee is required
7 to meet at least two times annually during the legislative
8 interim.

9 The bill requires that any statutory board, commission,
10 committee, or council under the purview of HHS shall provide
11 hybrid meeting, teleconference participation, virtual meeting,
12 and remote participation options for members to participate in
13 official meetings.

14 The bill eliminates the advisory council on brain injuries.

15 The bill amends provisions relating to the congenital and

20 appropriateness of the newborn screening. The bill limits the
21 voting membership to 15 voting members, and authorizes the
22 advisory committee to meet at least once per year. The bill
23 directs HHS to adopt administrative rules to ensure that the
24 duties of the council do not include those relating to genetic
25 and genomic health care services including special projects and
26 conferences.
